

GUIDELINES FOR YOUR VISIT

The Harley Gallery
Primary Education Workshops

Learning at The Harley Gallery

Before you visit the Gallery we recommend reading the guidelines below.

- We ask for **at least two adults per school group**, the more adult helpers you bring the better.
- **Children must be supervised** by the adults attending at all times, and are responsible for the children's behavior and discipline.
- The gallery will be open to the public at the same time as school groups; **we ask that children and adults consider other visitors** for the duration of their visit.
- **No running** – we do not want any accidents whilst your class is visiting.
- As tempting as it is we ask that adults and children **do not touch the artworks** as pieces can be damaged or become dirty.
- **We encourage adults to join in** the activities and model positive behavior so that the children feel supported.

We hope that each school group has a safe and enjoyable visit
