

If you love building with LEGO® bricks, show off your models at The Harley Gallery this winter!

In celebration of our exhibition **Brick City**, 17 October – 10 January, the Gallery want to find local LEGO® brick master builders. **Brick City** is an exhibition of some of the world's favourite buildings recreated in LEGO® bricks by Warren Elsmore.

The Gallery is looking for models from builders of all ages and backgrounds, and wants to celebrate the amazing creativity and ingenuity that model building inspires.

Models will be exhibited in the Gallery alongside **Brick City**. The “best build in show”, selected by Warren Elsmore and his team, will win a £150 gift voucher to spend at The Harley Shop – the winner will be able to choose from lots of brick themed goodies, contemporary craft and gorgeous gifts.
